CASUALTIES.

The large increase in the number of Casualties treated is shown as follows:—

1941	21,427	1944	26,537
1942	23,906	1945	28,303

During the year under review 3,987 operations were performed and 6,857 radiological examinations were made. Attendances in the Ear, Nose and Throat department numbered 6,533; Eye department 3,947; Arthritis Clinic 4,695; Physio-therapy department 12,072; Special Medical department 9,021; Special Surgical department 2,450; Pathological Investigations numbered 1,451; and 251 cases were treated as a result of

accidents due to motor traffic. 5,848 patients passed through the Almoner's department, of which 31 were referred for convalescence, 87 were assisted to obtain surgical and other appliances, and 98 cases were assisted from the Samaritan Funds. Dressing Cases totalled 79,500.

FINANCE.

The year's working has resulted in a deficit of £3,797 on the Income and Expenditure Account. The total deficit on the Income Account is now £4,067.

The Ordinary Expenditure for the year was £24,302, an increase of £3,491 on last year. This increase is mainly accounted for by the increase in the cost of Salaries and Wages of £2,238, of Surgery and Dispensary items £743, of "Domestic" expenditure £364, and of Repairs and Renewals £360.

The ordinary income for the year was £20,750, an increase of £1,080 on the previous year.

The increase in the cost of In-patients is mainly attributable to the many replacements, particularly of bedding and linen, for the equipping of Wards closed for the duration of the War and now fully re-opened.

The amount received from Annual Subscriptions was £1,202 0s. 6d.; Dividends and Interest, £3,021 6s.; Donations, £1,597 1s. 7d.; Donations by patients, £440 11s. 6d.; Receipts on account of Services, £695 11s. 8d.; Donation Boxes, £287 1s. 10d.

The Board again acknowledges with gratitude, the valuable support of the Leeds and District Workpeople's Hospital Fund by their generous grant of £11,000, with an additional grant of £200 towards the cost of the Physiotherapy department. The Board feels that all who took part in the excellent progress made by the Fund are to be heartily congratulated.

The Leeds Voluntary Hospitals Fund has made excellent progress and the Board records its indebtedness for grants during the year amounting to £2,305 17s. 6d.

Tribute is paid to the unabated interest and warm-hearted support of the contributors to these funds, and to the co-operation and help rendered by employers of labour.

The Board also expresses grateful thanks to the many Committees whose untiring efforts have so materially helped the Hospital, and to the many organisations and individuals from whom gifts have been received. Amongst these, the following benefactions call for special reference:—

The Board welcomes these kindly remembrances of the work and needs of the Hospital.

BUILDING AND EQUIPMENT.

As forecast in last year's report, the expenditure on unavoidable post-war redecorating, renewals and repairs has been very heavy. The whole of the exterior of the building has been painted and the main working portion, including three wards, painted and decorated. The portion of the building occupied during the War in A.R.P. activities, has been restored to its pre-war condition.

All wards have been re-opened and re-equipped and, in spite of Staff difficulties, have been fully occupied.

A slit lamp microscope and a modern perimeter have been added to the equipment of the Eye department.

Plans for increasing the accommodation of the X-Ray department and the provision of more modern equipment have not yet been completed.

PERSONAL.

It is with deep regret the Board records the death of Mr. T. Brewster Hunter, a member of the Board since 1938. Mr. Hunter was an active worker and a generous supporter, and took a keen interest in the work of the Institution.

Mr. Michael C. Oldfield, F.R.C.S., and Mr. Henry S. Shucksmith, F.R.C.S., were elected Honorary Surgeons, and Mr. J. Sherne, F.R.C.S., was elected Honorary Ophthalmic Surgeon.

Miss Catherine Menzies, Matron, resigned to take up the post of Matron at the Birkenhead General Hospital. Miss Frances J. Blaylock, R.R.C., was appointed as her successor.

Dr. R. E. Tunbridge resigned his position as Honorary Physician on being appointed to the Chair of Medicine at the University of Leeds, and was elected to the Honorary Consulting Staff.

Dr. F. G. Mackintosh and Dr. A. T. Hawthorne, were appointed Honorary Anæsthetists.

It was a matter of great satisfaction to the Board that the public services of the Chairman, Sir George W. Martin, K.B.E., J.P., have been recognised by his election as Lord Mayor of the City.

NATIONAL HEALTH SERVICE BILL.

The year has been a momentous one in the annals of hospital service and discussions in the hospital world have centred around the probable nature of the hospital service organisation which would be proposed under the National Health Service Bill. The Act is expected to come into operation in 1948, and the great task of the next few years will be to translate it into not only an efficient, comprehensive service but also into a humane one.

The Boards of Management of the Leeds General Infirmary and the Leeds Public Dispensary and Hospital have approved in principle that there should be closer association between the work of the two Institutions, and that the Dispensary shall perform such special work as will enable it to be recognised and used by the University as part of the Leeds Teaching Hospitals Group.

THANKS.

The Board again acknowledges with thanks the services of the Honorary Medical and Surgical Staffs. Thanks are also recorded to the many donors of flowers, books, and other gifts in kind, to all who helped to make Christmas brighter for the patients in the Wards, the City Police, the District Nursing Association, the W.V.S. and the Red Cross and St. John War Organisations and many other agencies for their kindly interest and material assistance.

CONCLUSION.

It may be that the Voluntary System as we have known it is to pass away, but the Board hopes that the survival of that spirit will humanise a new and more comprehensive hospital service for the benefit of all mankind.

Whatever the future may bring, the Board is confident that the Leeds Public Dispensary and Hospital will be called upon still further to develop its facilities for treatment, and feels sure that the generous support and loyal service given in the past will be given with equal measure in the future.
